INDEPENDENT AUDITORS' REPORT

To the Board of Directors of National Association of Hispanic Journalists:

We have audited the accompanying financial statements of National Association of Hispanic Journalists (NAHJ), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NAHJ, as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report of Summarized Comparative Information

We have previously audited the NAHJ 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 23, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015 AND 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS

National Association of Hispanic Journalists (NAHJ) was incorporated in 1984 in California and is dedicated to the recognition and professional advancement of Hispanics in the news industry. NAHJ is governed by a fourteen (14) member board of directors that consists of executive officers and regional directors who represent geographic areas of the United States and the Caribbean. The national office is located in Washington, DC. NAHJ's main sources of revenue consist of donations, sponsorships, and registration fees.

BASIS OF ACCOUNTING AND USE OF ESTIMATES

The accompanying financial statements have been prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of the revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Summarized Comparative Information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class and functional expense. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with NAHJ's financial statements for the year ended December 31, 2014, from which the summarized information was derived.

CASH AND CASH EQUIVALENTS

NAHJ considers all liquid investments with an original maturity of three months or less to be cash equivalents. Cash equivalents for NAHJ consist primarily of money market accounts. At December 31, 2015 and 2014, NAHJ had cash equivalents of \$184,453 and \$202,922, respectively. At December 31, 2015, NAHJ maintained cash balances in excess of federally insured limits of \$250,000.

SOFTWARE AND EQUIPMENT

Expenditures for software and equipment and items which substantially increase the useful lives of existing assets are capitalized at cost. Depreciation is recorded by using the straight-line method over the estimated useful lives. NAHJ capitalizes all acquisitions of software and equipment in excess of \$500.

	<u>2015</u>	<u>2014</u>
Computer software	\$ 11,360	\$ 17,631
Computer equipment	-	3,631
Accumulated depreciation	 (6,311)	 (12,426)
	\$ 5,049	\$ 8,836

Repairs and maintenance are recorded in the period incurred in the statement of activities.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015 AND 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

DEFERRED REVENUE

Member dues are billed based on member anniversary. Membership revenue is recognized ratably over the membership period. Deferred revenue represents the unearned portion of dues in addition to unearned booth fees and exhibit revenue at year-end.

NET ASSETS

The financial statements have been prepared in accordance with Accounting Standards for the Presentation of Financial Statements of Not-For-Profit Organizations. These standards require NAHJ to report information regarding its net assets, revenue, and other changes in net assets according to class. NAHJ utilizes the following classes of net assets:

Unrestricted

These include revenue and expenses from the regular operations of NAHJ, which are at the discretion of management and the Board of Directors. The Board has designated a portion of its unrestricted net assets of \$172,276 and \$157,781 at December 31, 2015 and 2014, respectively. The purpose of these funds is to finance general operation of NAHJ, as needed.

Temporarily Restricted

These include donations and grant revenues used to meet expenses of current operations in accordance with restrictions specified by the donors or grantors. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Temporarily restricted revenue received and spent in the same period is considered unrestricted. See Note 3.

REVENUE AND SUPPORT

NAHJ reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the purpose or time of use of the donated assets.

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses, depending on the form of the benefits received. Conditional promises to give are recognized when the condition on which they depend are substantially met. All outstanding unconditional promises to give are deemed collectible at December 31, 2015 and 2014.

IN-KIND CONTRIBUTIONS

Contributed services are reported in the financial statements for voluntary donations of services when those services (1) create or enhance non-financial assets, or (2) require specialized skills provided by donation that would otherwise need to be purchased.

Donated materials are recorded at their fair value at the date of the gift. In the absence of donor imposed restrictions, gifts of long-lived assets are reported as unrestricted revenue.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

EXPENSE ALLOCATION

Expenses have been classified as program, general and administrative, and fundraising based on the actual direct expenditures and cost allocation based on estimates of time usage by NAHJ personnel and programs.

FAIR VALUE MEASUREMENTS AND INVESTMENTS

Accounting Standards for Fair Value Measurement define fair value as the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Those standards also establish a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, giving highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability.

Investments of \$167,675 and \$134,844 at December 31, 2015 and 2014, respectively, consisted of equity securities. All investments at December 31, 2015 and 2014 were level 1.

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions. This methodology has not changed since the prior year. See Note 2.
