

A little about us:

Verizon Media, a subsidiary of Verizon, is a values-led company committed to building brands people love. We reach over one billion people globally with a dynamic house of 20+ media and technology brands. A global leader in digital and mobile, Verizon Media is crafting the future of media.

We are an award-winning team of investigative, enterprise, trending and breaking news editors, reporters and producers. Our platforms reach hundreds of millions of users each month, giving our content the power to shape the conversation.

As a multimedia journalist, you get to make an impact and have your content resonate with readers across the globe. At Verizon Media, we provide fellows the rare opportunity to engage with over a billion monthly active users.

On **May 24th, 2021**, we're kicking off our **Multimedia Journalism Fellowship** program in New York, Los Angeles, San Francisco and potentially a few other major locations, including your home. The Fellowship program will run through **May 20th, 2022**. In order to be considered all applicants must be members in good standing.

This is a paid Fellowship opportunity.

The Perks:

Flexible work schedule

- We'll help you work where you need to, when you need to. Because life happens.

Room to grow

- Learning is built into every role here. You'll get mentorship and take ownership.

Benefits

- We've got you covered. Our benefits include comprehensive healthcare, a great 401k, and more.

Everyone has a voice

- *Innovation doesn't know hierarchy. We make sure everyone is heard, considered and respected.*

The editorial brands participating in the Multimedia Fellowship Program are:

- Yahoo Sports: Is the place where fans can get all their sports action, including live games.
- Yahoo Finance: #1 digital destination for financial data, analysis and news.
- Yahoo News: Presents today's most important headlines from respected and credible local and national sources.
- Yahoo Entertainment: Is a one-stop shop for pop culture conversation and the latest movie and music news.
- Yahoo Life: Brings the best in health, wellness, parenting, and style to make the things you love even better.

Your Mission:

Build the future, cultivate wonder, and impact a diverse culture with a strong sense of play that grows with iteration, encourages risk, and rewards the bold. As a Verizon Media Fellow, you'll get to work with our portfolio of major editorial brands over a one year period. You will also get the opportunity to explore a wide range of topics and learn new perspectives from seasoned journalists and producers building Verizon Media's presence on a range of platforms, including our homepages and social media.

A little about you:

Yahoo Sports is seeking an editor with an appetite for helping shape and curate high-impact stories and a portfolio of innovative digital and mobile storytelling. If you are part of the new wave of editors seeking to gain experience, we want to meet you.

You will be a voracious consumer of content via apps, mobile web and the myriad social platforms that have reshaped our media landscape. You live in that world and will be an expert navigator when it comes to innovative, interactive, multimedia, data-driven journalism. You will immerse yourself in our tools and platform with the goal of delivering readers a fresh and addictive experience. We cover all the biggest sports, including this summer's Olympics — as well as social justice issues and other topics central to athletes and our readers. We are moved by original ideas, fresh presentation and work that activates our vast community and engages the readers to interact with and share our content.

Responsibilities:

We'll ask a lot of you, but it's because we want you to be a change agent in our ever-evolving field. We have to preserve the journalistic mission and empower the next generation of multimedia journalists - that's you:

- Write and edit mobile notifications, including breaking and trending news, for the Yahoo Sports app.
- Identify and curate original and partner content for targeted mobile audiences at team, league and topic levels.
- Promote and program partnership content, including NFL live streams, NBA highlights and NBC Olympics.
- Work with fantasy sports and betting content teams to promote live shows, events and promotions.
- Support other editorial groups by assisting with mobile alerts, social engagement and copy editing original content.

Qualifications:

- Approximately 3-7 years of professional work experience
- Solid news judgment and a strong portfolio of work demonstrating digital editing and/ or production skills.
- Able to identify the stories that are likely to be the next big thing on Facebook, Instagram, Twitter and elsewhere online

- Excellent verbal and written communication skills.
- Passion for innovative digital storytelling experiences and compelling reporting that moves the needle.
- Experience in executing successful projects and partnering with cross-functional teams to deliver.
- Comfort in a fast-paced, innovative technology environment.
- Interest and a pulse across a broad range of topics.
- Sharp instinct for writing mobile- and social-friendly headlines.
- Strong news sense and AP style knowledge.
- Knowledge of prominent sports: NFL, NBA, MLB, college football/basketball, NHL and Fantasy sports.
- Working nights and weekends will be required.

Application:

- In order to be considered, provide clips of your work in addition to your resume.

Verizon Media is proud to be an equal opportunity workplace. All qualified applicants will receive consideration for employment without regard to, and will not be discriminated against based on age, race, gender, color, religion, national origin, sexual orientation, gender identity, veteran status, disability or any other protected category.

Verizon Media is dedicated to providing an accessible environment for all candidates during the application process and for employees during their employment. If you need accessibility assistance and/or a reasonable accommodation due to a disability, please submit an [accommodation request](#) or call 408-336-1409. Requests/calls received for non-disability related issues, such as following up on an application, will not receive a response.
